Special feature : JNR Electric cars' Plan Drawing Book edited in 1960 (**Part 5;final**)
 Commuting train of new generation electric cars 20m in length (series type 101 EMU),
 & express train of 20m in length (series type 151 EMU~157 EMU)
 & Commuting train of A.C.20kV&D.C.1.5kV 20m length (series type 401)
 And various kinds of electric cars of M.O.W use

This special is the outcome of JRC 60th anniversary commemorative project, and photos & commentaries added to the original issue of JNR electric cars' plan drawing book edited in 1960 by JNR (Japanese National Railways) rolling stock design office.

Cover :

JNR type moya-94 (no.94000) [later type kumoya-791] experimental leading motor car for testing single phase A.C. motor. Photo taken on Nov. '59.

Back cover :

Front face of type kumoha-157 (no.5) 2nd class leading motor coach of series type 157 EMU for express train. Photo taken on Jun. '61

Table of contents :

JNR type kumoha-157 (no. 5) 2nd class leading motor coach of series type 157 EMU for express train.
 This photo taken on Dec. '60. 2

JNR Electric cars' Plan Drawing Book edited in 1960 (Part 5 ; final) 3

◎ **Commuting train of new generation electric cars 20m in length (series 101 of 4 door type)** 4

- ◆54 type kumoha-101 variations (2nd class leading motor coach) 4~5
- ◆55 type kumoha-100 variations (2nd class leading motor coach) 6~7
- ◆56 type moha-101 variations (2nd class motor coach) 8~9
- ◆57 type moha-100 variations (2nd class motor coach) 10~11
- ◆58 type saha-101 (2nd class trailer coach) 12
- ◆59 type saha-100 (2nd class trailer coach) 13

◎ **Express train of new generation electric cars 20m in length (series 151 EMU)** 14

- ◆60 type moro-151 (1st class motor coach) 14
- ◆61 type moro-150 (1st class motor coach) 15
- ◆62 type moha-151 variations (2nd class motor coach) 16~17
- ◆63 type moha-150 (2nd class motor coach) 18
- ◆64 type mohashi-150 (2nd class & buffet motor coach) 19
- ◆65 type kuro-151 (1st class leading trailer coach) 20
- ◆66 type kuha-151 (2nd class leading trailer coach) 21
- ◆67 type saro-151 (1st class trailer coach) 22
- ◆68 type saro-150 (1st class trailer coach) 23
- ◆69 type saha-150 (2nd class trailer coach) 24
- ◆70 type sashi-151 (dinning car) 25

◎ **Express train of new generation electric cars 20m in length (series 153 EMU)** 26

- ◆71 type moha-153 (2nd class motor coach) 26
- ◆72 type moha-152 (2nd class motor coach) 27
- ◆73 type kuha-153 (2nd class leading trailer coach) 28
- ◆74 type saro-153 (1st class trailer coach) 29~30

◆75	type saha-153 (2 nd class trailer coach)	31
◎	Express train of new generation electric cars for students' excursion (series 155 EMU)	32
◆76	type moha-155 (2 nd class motor coach)	32
◆77	type moha-154 (2 nd class motor coach)	33
◆78	type kuha-155 (2 nd class leading trailer coach)	34
◆79	type saha-155 (2 nd class trailer coach)	35
◎	Express train of new generation electric cars 20m in length (series 157 EMU)	36
◆80	type kumoha-157 (2 nd class leading motor coach)	36
◆81	type moha-156 (2 nd class motor coach)	37
◆82	type sarō-157 (1 st class trailer coach)	38
◆83	type saha-157 (2 nd class trailer coach)	39
◎	Local train of new generation D.C.1.5kV&A.C.20kV/50Hz electric cars (series 401 EMU)	40
◆84	type moha-401 (2 nd class motor coach)	40
◆85	type moha-400 (2 nd class motor coach)	41
◆86	type kuha-401 (2 nd class leading trailer coach)	42
◎	Various kinds of electric cars for M.O.W. use.	43
◆87	type kumoya-93 (former type moya-4700 leading motor car for catenary inspection)	44
◆88	type kuya-99 (former kuya-9020) leading trailer car for power performance inspection	45
◆89	type kumoya-92 (former moya-4600) leading motor car for staff training	46
◆90	type kumoe-4300 leading motor car for rescue & restoration	47
◆91	type kue-9100 leading trailer car for rescue & restoration	48
◆92	type kue-9110 leading trailer car for rescue & restoration	49
◆93	type kue-9120 leading trailer car for rescue & restoration	50
◆94	type kue-9400 leading trailer car for rescue & restoration	51
◆95	type kue-9420 leading trailer car for rescue & restoration	52 ~55
◆96	type sae-9320 trailer car for rescue & restoration	56
◆97	type kumoru-4100 leading motor car for transporting car articles	57
◆98	type kumoru-23 leading motor car for transporting car articles	58
◆99	type kumoru-24 leading motor car for transporting car articles	59·60
◆100	type kuru-9210 leading trailer car for transporting car articles	61
◆101	type kuru-29 leading trailer car for transporting car articles	62
◆102	type kumoya-490 experimental leading motor car for D.C.&A.C. electric car	63
◆103	type kuya-490 experimental leading trailer car for D.C.&A.C. electric car	64
◆104	type kumoya-790 leading motor car for testing A.C. induction motor	65·66
◆105	type kumoya-791 leading motor car for testing single phase A.C. motor 【see cover】	67
